

POWDERMIX

ADVANCED POWDR BEVERAGES

With so many unhealthy options in the energy drink category, UP from POWDERmix is the perfect alternative to sugar filled synthetic beverages. It is a very unique and specifically designed beverage blend, designed to provide energy, clarity and immune support.

Use UP daily for added energy and immune support in a time released formula which will provide you with the energy you need to perform your best throughout the day.

Directions:

For maximum energy, mix entire packet into 8oz of water. For moderate energy, use 1/2 packet. For best results drink on an empty stomach or in between meals.

Sustained Energy & Performance
